HEATING & COOLING SYSTEMS COMPARISONS

Financing available for qualified buyers. Contact Capital Control Systems for pricing and details: 775-883-3277

Model #ML180 Model #14ACX

MERIT® SERIES

UP TO 80% AFUE¹

- Upflow/horizontal or dedicated downflow designs
- 20-Year Limited Warranty on heat exchanger
- 5-Year Limited Warranty on covered components

A/C UNIT

14 SEER² | R-410 A Refrigerant

- Meets or exceeds 14.00 SEER²
- Sound levels as low as 76 dB
- 5-Year Limited Warranty on covered components

\$ _____ Furnace, only

\$ _____ A/C, only

\$ _____ Package Price

Model #ML195 Model #XC14

MERIT® PLUS SERIES

UP TO 95% AFUE¹

- Upflow/horizontal or dedicated downflow designs
- Sealed blower compartment
- 20-Year Limited Warranty on heat exchanger
- 5-Year Limited Warranty on covered components

A/C UNIT

UP TO 16 SEER² | R-410 A Refrigerant

- Sound levels as low as 70 dB
- Humiditrol compatible
- 10-Year Limited Warranty on compressor
- 5-Year Limited Warranty on covered components

\$ _____ Furnace, only

\$ _____ A/C, only

\$ _____ Package Price

Model #EL296E Model #XC16

ELITE® SERIES

UP TO 96% AFUE¹

- Two-stage operation
- Constant torque Power Saver™ technology
- Upflow/horizontal or dedicated downflow designs
- Sealed and insulated blower compartment
- Limited Lifetime Warranty on heat exchanger
- 5-Year Limited Warranty on covered components

A/C UNIT

UP TO 17 SEER² | R-410 A Refrigerant

- Multi-stage cooling
- Sound levels as low as 74 dB
- Humiditrol compatible
- 10-Year Limited Warranty on compressor
- 5-Year Limited Warranty on covered components

\$ _____ Furnace, only

\$ _____ A/C, only

\$ _____ Package Price

Model #EL296V Model #XC20

ELITE® PLUS SERIES

UP TO 96% AFUE¹

- Two-stage, variable-speed operation
- iComfort-enabled
- Enhanced humidity control
- Upflow/horizontal or dedicated downflow designs
- Sealed and insulated blower compartment
- Limited Lifetime Warranty on heat exchanger
- 5-Year Limited Warranty on covered components

A/C UNIT

UP TO 20 SEER² | R-410 A Refrigerant

- True variable capacity cooling
- Sound levels as low as 65 dB
- iComfort-enabled
- 10-Year Limited Warranty on compressor
- 5-Year Limited Warranty on covered components

\$ _____ Furnace, only

\$ _____ A/C, only

\$ _____ Package Price

Model #SLP98V Model #XC25

SIGNATURE® SERIES

UP TO 98.7% AFUE¹

- Variable-capacity operation
- Precise Comfort® & AirFlex™ technologies
- SilentComfort™ technology
- iComfort®-enabled
- Upflow/horizontal or dedicated downflow designs
- Sealed and insulated blower compartment
- Limited Lifetime Warranty on heat exchanger
- 10-Year Limited Warranty on covered components

A/C UNIT

UP TO 26 SEER² | R-410 A Refrigerant

- Variable-capacity inverter compressor
- Precise Comfort technology
- Climate IQ® technology
- SilentComfort technology
- iComfort-enabled
- Sound levels as low as 59 dB
- 10-Year Limited Warranty on compressor and covered components

\$ _____ Furnace, only

\$ _____ A/C, only

\$ _____ Package Price

¹AFUE = ANNUAL FUEL UTILIZATION EFFICIENCY) ²SEER = SEASONAL ENERGY EFFICIENCY RATIO)
